"All the world's a stage..." or so says a famous character of William Shakespere. The phrase fits especially in Stebbins High School. The next 231 pages of pictures will prove the point. This is why we have so appropriately named the theme of our fine book to be "On Stage at Stebbins."

What would you say if you were told that certain Stebins personnel have hidden talents that usually go unnoticed? It's the absolute truth. We have those with the normal musical, academic, and atheletic talents; but we also have those with talking talent, day-dream talent, and comedy talent. One can see that these special skills are displayed right here in the pictures on this page and they will continue to show up in the pages to come. So you see, hidden talent is everywhere; one just has to stand up and take notice.

RAINBOW BRINGS CAROL

Yes, we are number 1!

A. Harpe, M. Waker & K. Gray get into New Wave.

The romance of Miss Piggy and Kermit continued as we celebrated the 1981 Homecoming to the Muppet theme of "Rainbow Connection." Special appearances were made by Fozzy Bear and Gonzo as well as Kermit and Miss Piggy.

Spirit Week got us prepared for Friday Night's activities. We had dress-up day, twin day, warm-up suit day, rainbow day, and the traditional Indian day to unify us for the fight to come on Friday night against West.

Friday night's pregame began a night of fun and memories for all concerned. The 1981 Homecoming court was introduced and **Carol McClure** was crowned the 1981 Homecoming Queen by the 1980 Homecoming Queen **Kathy Lindsey**. The Court looked radiant as they reigned over the game and the dance Saturday Night.

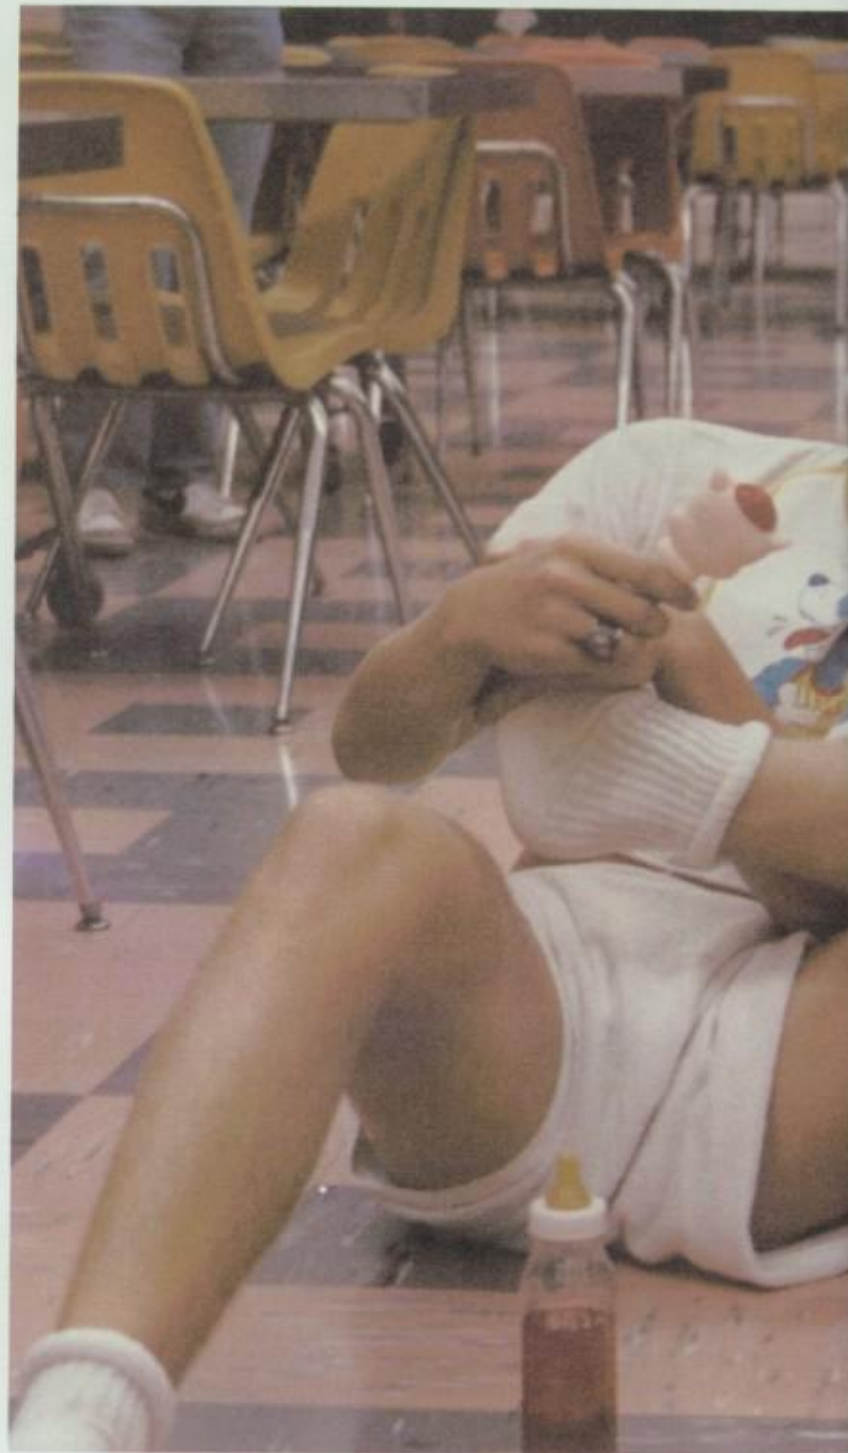

Half Time was truly a wild time out on the field. The annual skit competition took place with the Junior's coming in first place with their rendition of the Muppet Theme. The Sophomores came in second doing "Mana Mana," (don't ask), and the Seniors came in third doing "Moving Right Along." The band was excellent as they performed the accompanying music for the skits.

The week was filled with fun, smiles, spirit, and a lot of hard work, but most of all it was filled with the things that make these memories become a permanent part of us. As time goes by, we will look back and remember the happy times and think how lucky we really are.

The Young, The Old, The Best &

Yes, we do have fun, believe it or not. We do it by just being ourselves. Some people are more different than others, as anyone can observe by looking at these pictures. It really does help to break up the monotony. Even little things like punk sun glasses or loud ties make people take notice and smile. It's not that a person is any more unusual than anyone else; it's just that he or she is showing a little individuality.

Everybody's different. Just look around each day. We have the very young, the very old, the formal, the informal. We have the amazed, the amazing, the usual & the unusual. Really, it's all part of being individuals. Wouldn't it be boring if we did the same thing everyday? Be different is the word around here. Be individual.

Play Even Harder

Yes, we do work hard, but we play even harder. We work our rear ends off in class on the field, on the court and we work hard to be spirited. It can't be denied, however, that having fun is at the top of everyone's list of things to do. It is for this reason that we play even harder than we work. The two actually go hand in hand. We work hard to make things more fun, and so far this year, the combination has worked out great. Just check out the smiles on everyone's face and you'll understand why.

DOMINATE IN

The Seniors, winning all of the scalps this year, showed how rowdy they could be at the pep assemblies, and the Sophomores followed close behind the Juniors in spirit points throughout the year.

The Sophomore class, learning the scalp quickly, made a lot of noise, surprising the rest of the school with their spirit.

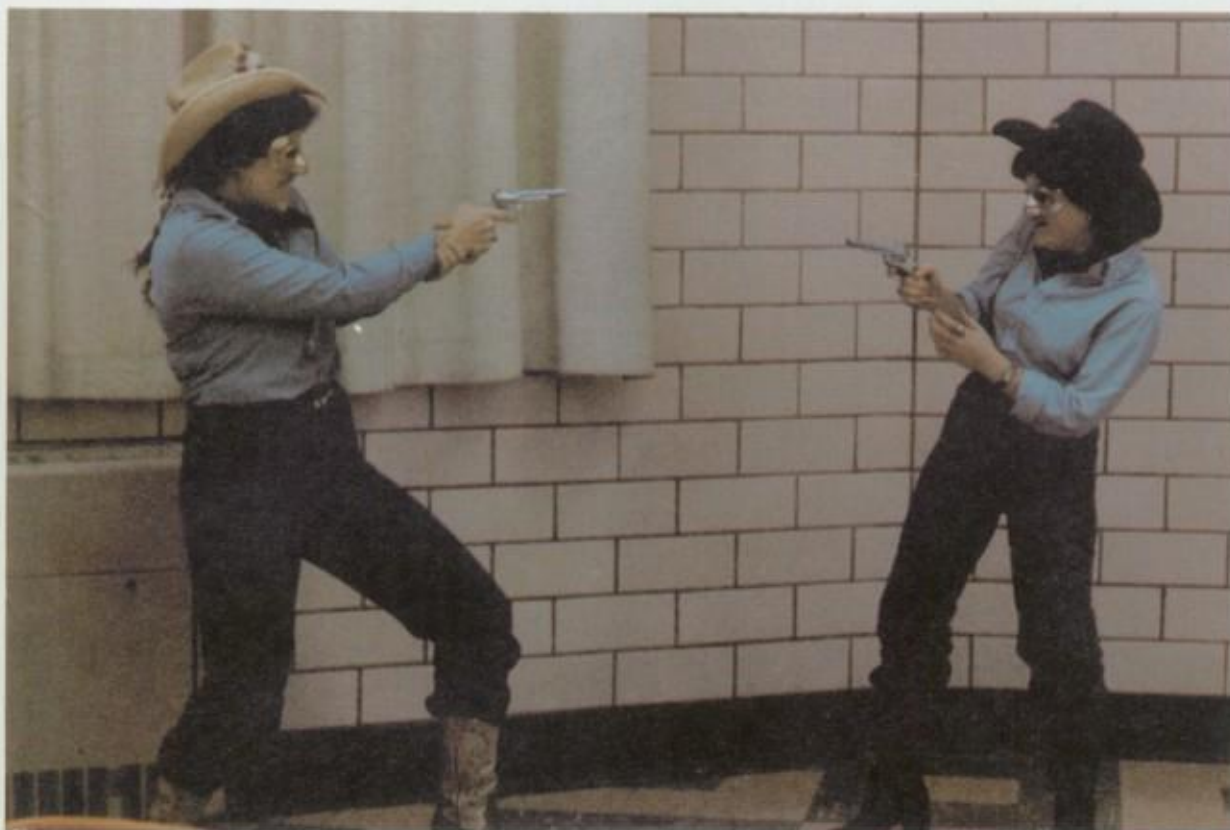

All around, though, the Indians had a lot of pep this year, and a lot of support was given to the athletic teams, helping us to improve our athletic records.

No, there ain't no stoppin' us. Once the movie starts it can't be stopped. When we put on an act, we really put on an act! Who would ever think that killer bees would roam our school or that the Generic Men would be here to protect us? Well, the story has started; let us see how it is going to end, if it ever does end. Remember, things like this just can't be ended.

Before we go on with the story, the Yearbook Staff would like to appologize for any technical mistakes involving our new and more difficult publishing process. We hope that the process works out and that you like our book.

THE SCENES

The following pages contain the basic scenes to our little story. As the year progressed, various activities took place to thicken the plot such as Homecoming, Awards Nights and Prom. You can consider these pages to be the rising action en route to an exciting climax...Graduation.

This year, the results of the scalps were as expected with the seniors winning every single one. It would be a lie, However, to say they had no competition. A few times, they were threatened by the Juniors loud voices and high spirits. The big surprise, though, came from the sophomores. Everyone expected them to be quiet and unsure of themselves, instead they caught right on with the Stebbins spirit and blended right in.

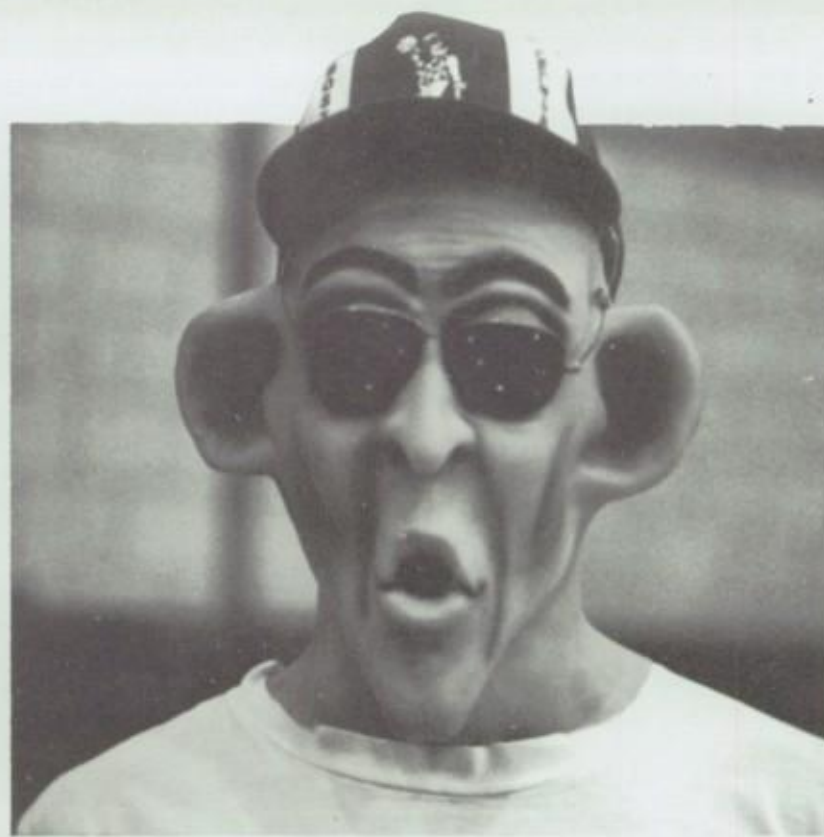

Everyone had their share of laughs when the spirit club put on the skits for the basketball and wrestling teams at the beginning of the season. The skit where the cheerleaders dressed up as army soldiers was memorable too.

MEMORIES

The student senate once again hosted its annual Homecoming Dance on Oct. 10, 1981 from 8:00 to 11:30 in the cafeteria. The week sparked a lot of spirit with twin day and Indian day leading up to the pep assembly. **SENIORS** dominated, winning most of the events including the notorious **SCALP**.

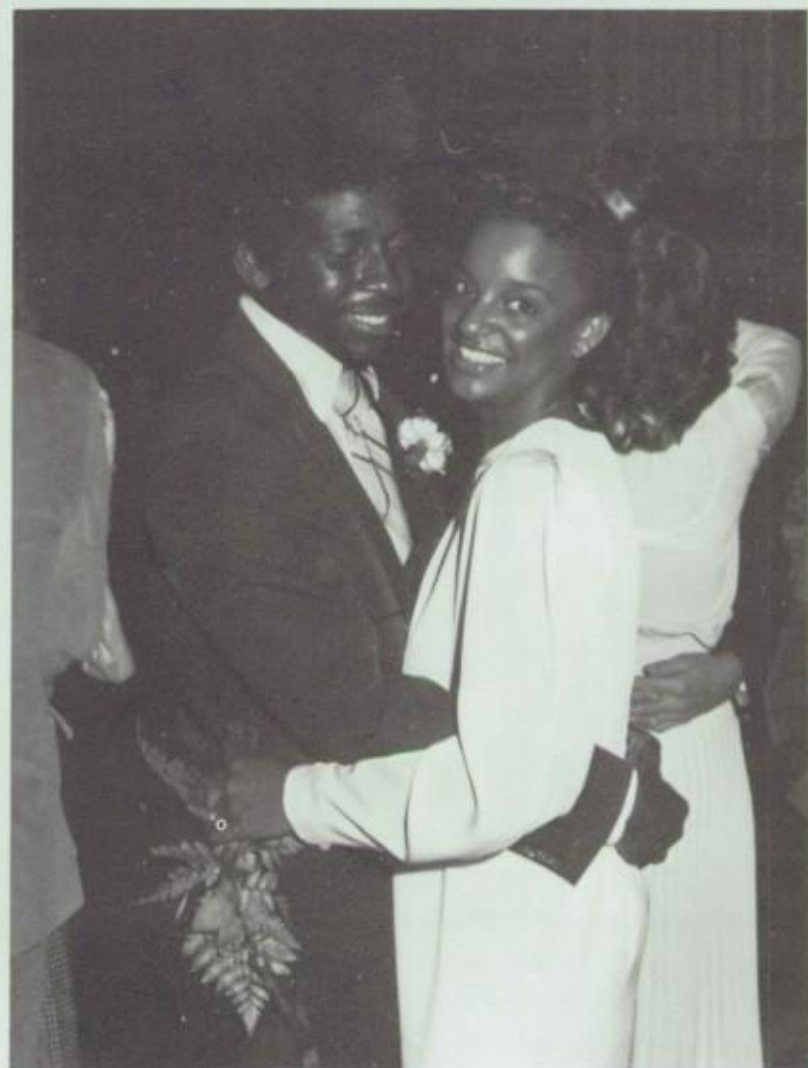

At the game the tension mounted then the moment came when **Carol McClure** was announced Homecoming Queen. She was escorted by Senior Class Pres. **John Volz**.

LIFETIME !

HOME- COMING

The 1981 Homecoming Dance proved to be a tremendous enjoyment for all. There was a large turn out of 150 couples, who all seemed to have an excellent time. The senior spirit dominated at the dance, square dancing to the sounds of the ultimate southern rocker "Charlie Daniels."

His cousin "Jack" was also enjoyed by many, making the evening most enjoyable. The student senate, once again, did a tremendous job and engraved another wonderful memory for Stebbins High School students and their dates.

**GOOD
TIMES!**

Special recognition goes to T. Begley, a wrestler at Stebbins who went to the top for the second time while at Stebbins High School. Begley was District Champ for the second time this year. He is the first to be champ twice in a row. His record was 30-3 this season. He went to State, but was unfortunately taken out, due to a **MINOR** rash on his face which had been there through Districts, but he was

still allowed to continue. This still has fans puzzled why it wasn't allowed at State. Tim took 4th in State as a Jr. and his classmates and fans have no doubts in their minds that he could have taken **1st** this year: This years State winner from Fairfield had been beaten by Begley in Districts **11-5!** Tim is an excellent athlete and has brought much Pride to Stebbins.

The annual presentation by the Black Culture Club this year focused on well-known blacks who helped establish black status in society. Several students displayed their talents such as an interpretive dance by Jeri Maupins and singing by Connie Walker. The program climaxed with the singing of the Black National Anthem. Mr. Pruitt did a fine job of organizing and participating in the program.

STEBBINS

This year the Stebbins Drama Club presented "The MOuse That Roared." Although students had an extremely short time to practice, they managed to pull it off successfully.

The play was performed by a host of talented actors. The lead roles were played by Seniors **Richard Conrad** and **Lynne Wilkinson** as Tully Bascom and Gloriana the 12th. The play takes place in a tiny European country, Grand Fenwick. The country's single source of income is a wine, Pinot Grand Fenwick. When a Winery in California starts to turn out a cheap imitation of their wine and ruins their economy they declare war on the United States and Win! Then the fun begins as the U.S. realizes what has happened. The play ended as a "roaring" success and provided two very entertaining evenings.

Academics reigned on the night of May 26, 1982 for it was the night Walter E. Stebbins honors its outstanding scholars. The night began with the announcements of those who participated in the Ohio Tests For Scholastic Achievement. The next awards were dedicated to those who demonstrated high achievement in particular subject areas such as Science, Business, Math, etc. Mr. Ron McCray was the emcee for that half of the ceremony.

The next half of the ceremony was dedicated to those to be inducted into the Society For Academic Excellence. To be inducted, students must satisfy each year's requirements. As a Sophomore, a person must maintain a 3.5 grade point average for 7 quarters of high school. As a Junior, a person must have a 3.5 g.p.a. for 11 quarters. As a Senior, a person must have a 3.5 g.p.a. for 15 quarters. there were 24 Sophomores, 13 Juniors, and 17 Seniors honored. Mr. Ron Young was the host for that part of the evening.

'82 FIELD DAY !

As the year came to a close, field day once again arrived to give students one last chance for competition. On that hot day, blood was pumping and adrenalin was flowing as the Seniors wasted no time in gaining a lead that could not be overtaken.

Knowing that the Seniors could not be beaten, everyone still made the most of Field Day. Faces buried in pies and bodies soaked by water balloons helped keep the day cool, while the obstacle course challenged all who tried it. Though the Junior Class showed their strength by winning the tug of war, the Seniors won the most prestigious event, the ever popular SCALP. As the day drew on the competitive spirit was lost to the fun. With water flying and shaving creme baths FIELD DAY '82 came to a close.

HARBOR LIGHTS "SMILE" AT PROM!

This year's Prom was enjoyable. But if it weren't for the closeness of the SENIORS and their ability to have a great time, Prom wouldn't have been so successful.

The couples danced to the disco sound of Chuck Allen. The "Harbor Lights" theme gave the night a nice romantic touch. The dance was held from 8:00 - 11:00, which was rather short, but gave the couples time to go out and be alone. The After Prom was at Huber Heights Circuit Courts from 1:00 - 4:00 am. One of the hilights of the evening was the crowning of the King & Queen - Jack Shaffer & Carol Jones.

CHEERS

Commencement for the Class of 1982 took place on May 30 at UD Arena. The ceremony was filled with cheers and tears as 329 Seniors left their high school years behind and stepped into adulthood. It was a time of happiness to get that long-awaited diploma, but it was also a time of sadness as many friends will separated after years of attending school together. Before the ceremony, the class made the most of their last minutes together as hugs were exchanged and plans for Graduation parties were made.

Throughout the entire ceremony the feeling of pride and accomplishment prevailed as the Seniors soon became Grads!

TIMES OF YOUR LIFE ?

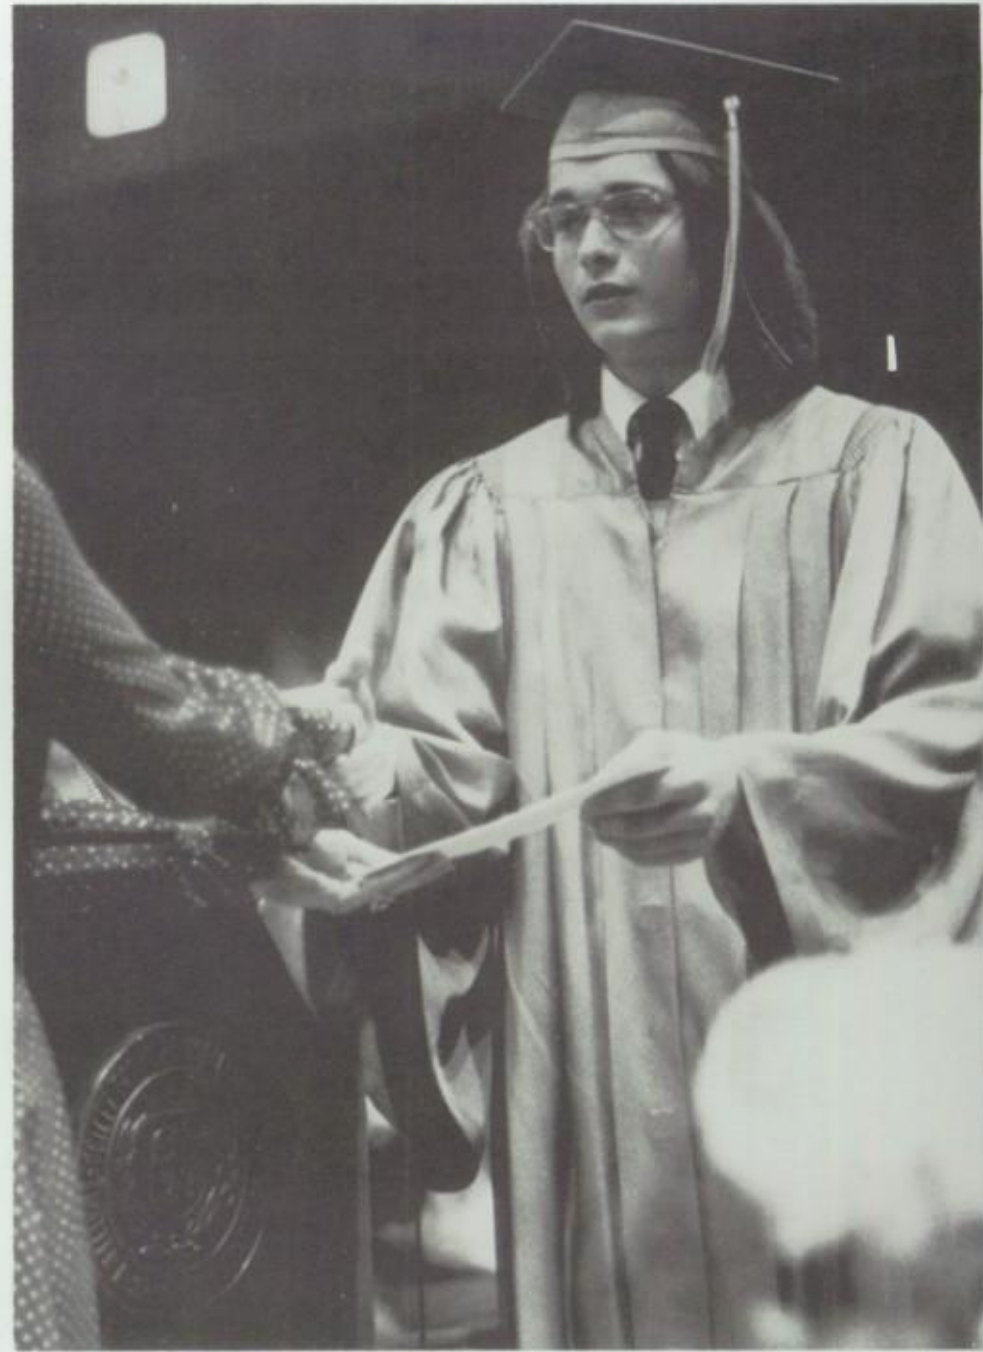

Graduation is one of the most memorable times in a person's life and this year's Seniors have a beautiful ceremony to remember. The Seniors came together to make everything go smooth and uninterrupted. Some speakers who helped to make Graduation more special were the Valedictorian-Laura Cannon, Salutatorian-John Volz, the Invocation by Brenda Thomas, Class History given by Mike Casterline and the Benediction by Ron Grove. The Senior Ensemble sang "The Times of Your Life" and touched the hearts of the Seniors with words that describe the feelings at the end of our high school years.

THE ACTION

The main part of our production has to be athletics. All the nitty-gritty of the school takes place on the fields, the courts and the tracks. Face it our story revolves around what takes place on and by the various athletic teams. Without them, we would have no action; without them we would have no fun.

INDIAN FOOTBALL

The 81-82 Indians upped their season record to 3-7 this season. This is a small improvement over last years 2-7-1 record. The Indians pulled past Xenia, Sp. North, and East.

This was Coach LDudley's last season with the Indians. Coach Place from LBeaver-creek will start next year as head Coach and Athletic Director.

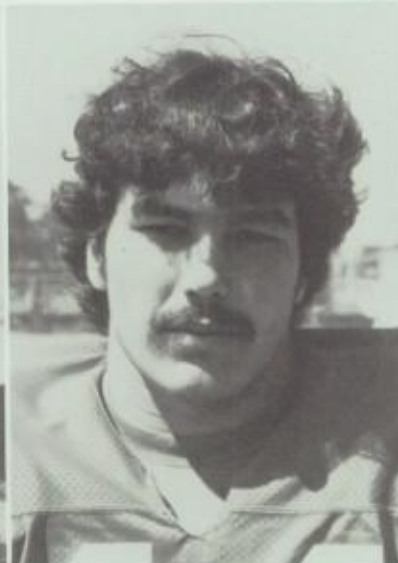

This year's MVP was Melvin Marshall who will attend Bowling Green on a Scholarship, and the Coaches Award went to Lance Savasuk.

Other individual awards went to Seniors **Mike Casterline**, **Tim Henry**, **Lance Savasuk**, and **Melvin Marshall**. Junior **Carl Lux** also received recognition. The team finished in a 3-way tie for 7th place in the WOL. The team is looking forward to next year and the return of the varsity juniors.

VOLLEYBALL MAKES WITH 21-5

The 1981 Volleyball Team proved to be the best Stebbins has ever had. Through their outstanding efforts, the girls compiled an overall season record of 21-5, a remarkable feat over last year's 11-13 record.

Among the teams record-breaking accomplishments were a best-ever finish in the WOL, at 7-2, the highest finish ever at the Troy Tournament, the best overall record, the most players ever selected to the WOL All-League Team, and by reaching the finals they advanced farther than any previous volleyball team at Districts. They also brought home three tro-

phies, making it the 1st time a volleyball team has ever placed a trophy in Stebbins' trophy case.

Their strong performances in tournament action earned the Indian women a 1st place at Wilbur Wright, 2nd place at Troy, and District Runner-up.

Contributing to the awesomeness of this historic volleyball team were four players who placed on the VOL-All League Team. **Dee Lippke** was chosen to the 1st team All-WOL, **Paula Steppel** to the 3rd Team, and the All-WOL Honorable Mention selections were **Lisa Fleig** and **Tracy Scheblo**.

81-82 SOCCER TEAM FIGHTS

The 1981-82 soccer team improved their final record tremendously from the last year. At one point in the season they went five games without losing. Their final record was 8-7-2. They defeated some of the better teams in the league such as Beavercreek, Xenia, Greenon. Coach Tom Edmundson feels that there are some bright prospects for next year's season and that the 81-82 team will do as well if not better than this year's team.

John Volz, perhaps the best player in Stebbins history, was also one of the best players in the W.O.L. for the 1981-82 season. During his three year Varsity career, he set the record for career goals scored by any Stebbins soccer player. He was chosen first team All-W.O.L., first team All-Area, and second team All-Ohio, being the first player in Stebbins history to accomplish that. We hope that John's success continues.

The 1981 Cross-Country team ended with a 1-9 season this year. The eight runners participated in 10 meets and 7 tournaments, despite the injuries and lack of experienced runners. Third-year letterman and two-year MVP **Doug Waker** took first place in three meets. The team worked hard, but there were not enough runners to fill the gaps. Also hurting the team was lack of pre-season training and a few injuries. **Coach Taylor** hopes to have more participation next year.

Other members not shown in the team picture are **Eric Brickner, Ron Grove, Mike Jenkins**, and the only female runner **Deirdre Doty**.

BASKETBALL BOUNCES

The 1982 Indians improved 100 % this year by dominating the court with their impressive 14-6 season record. The Indians had trouble breaking a 3 game winning streak, early in the season. However they later stretched their streak to 5 in a row from the Miamisburg to the Centerville games. The fighting Indians never gave up easy. They proved this by taking 3 WOL games into overtime.

On January 8, 1982, the Indians were brutally and viciously disappointed by the

Xenia Bucs in a 1 point, controversial, overtime heart-breaker. A game that will live in the hearts of Seniors..

The next big game came on the evening of January 29. The Indians hosted Sp. North and upped their WOL record to 4-2 in a game in which Senior Trenton Leonard sent into overtime with a 20 footer from the side. With 4 seconds left in overtime, Trenton was fouled and made both shots in the one and one situation. This set the score at 82-81 and proved to be too much for North to handle.

B-BALL IS JUST TOO TUFF

Perhaps the most exciting game was the Centerville game. At the end of regulation play the score remained at 58-58 to take the game into its first overtime. At the end of the first overtime, the Indians held onto the tie and sent the game into its second overtime. The game went down to the line. With 3 seconds left Trent Leonard was fouled with the Indians leading by one. Two additional foul shots upped the score to 66-62. Centerville made the final shot but it was too late.

The team did well this season by placing second in the Western Ohio League, 8th place-all are and were seated 4th place in the Sectional Tournament. The team however was upset by Greenon in the 1st round of the tournament.

Individual awards went to Melvin Marshall: 1st team WOL, 1st team Dist. and 1st team Journal Herald. Ronald Jones: 1st team Journal Herald, 2nd team WOL, HON. Mention District. John Jones also received Hon. Mention WOL recognition.

The 1982 Girls Basketball Team had a slow year finishing with an 11-9 winning record. The season tended to be up and down for the girls. They never seemed to get in a good groove until the end of the year when they had a four game win streak up until their final loss in the District Tournament. The girls had some impressive wins that included East, Beavercreek, a triple overtime win over Belmont, and a revenge win over arch rival Wayne.

Team honors included a Third Team All-WOL selection for Junior Center Kathy O'Brien and Honorable Mention All-WOL for Senior Guard Ellie Mondini. O'Brien and Mondini also received the MVP and Coaches Award respectively.

GIRLS REBUILD

WINNING FORCES

The 1982 season was a re-
 building year for the Indians.
 With only three Seniors (Ellie
 Mondini, Debbie Walden,
 Jodi Radford) and two regular
 varsity team members re-
 turning from last year's
 championship team (Mondini
 and Kathy O'Brien), it was
 obvious that experience was
 needed. Another regular var-
 sity member of last year's
 team, Connie Monnin, was
 lost to a severe knee injury
 and was sorely missed, so the
 team had to regroup and by
 the end of the season the
 team showed its potential.

Next year's team should be
 awesome with six varsity
 members returning as well as
 some talented Freshmen,
 Sophomores, and Juniors
 coming up. The 1983 Team
 should be huge with the
 average height around 5 feet
 9 inches. Coach Hastler looks
 forward to returning to her
 championship ways.

This year the wrestling team had a pretty good turnout of wrestlers 24 represented the Stebbins Indians on the mats. The biggest percentage of the team was sophomores. Some of the outstanding Players were Tim Begley who had **qualified** for state in 105 lbs. John Mason, Indian heavy weight, lost in Sectionals. Captain Doug Kipp had a very good season. Senior Pete Steppel, who wrestled 105 lbs most of the year until Begley moved up, had a very strong season. Over the past few years, interest in wrestling has dropped. But, with a fresh group of fired up sophomores, J. Sopczak, R. Fry, R. Cockayne and S. Resser, the coaches hope to build a powerful team of Indian grapplers.

Mens Track

Men's Track improved overall this year by adding some more meets to the win column. The wins included Troy, Carroll, and East. Many outstanding performances were put in by the striders. Some include: Trent Leonard- record holder in the 400 yd. dash, Mike Popella- Regional Qualifier in the 110m high hurdles; Melvin Marshall- sprints and long jump; and Doug Waker in middle distances. First year coach, Mr. Fansher hopes that next year will bring even more improvement and outstanding performances to Stebbins Track.

Girls Track improved this year with the addition of some new faces, the return of some veterans, and some outstanding individual performances. Junior Kathy O'Brien joined the team this year and now holds the school high jump record at 5'2". The Stebbins Indians Men's Varsity Baseball Team, under the direction of Coach Mike Heinke, concluded the 1982 season on a positive note.

After a fast start, such as the one enjoyed by the Indians, almost without a doubt comes a mid-season slump. Despite the numerous predictions by students and admirers of the team, the Indians never slipped out of high gear and ended the season with a flurry, winning six of their last seven contests.

The Indians, despite a few shaky moments, managed to pull off their third winning season in as many years.

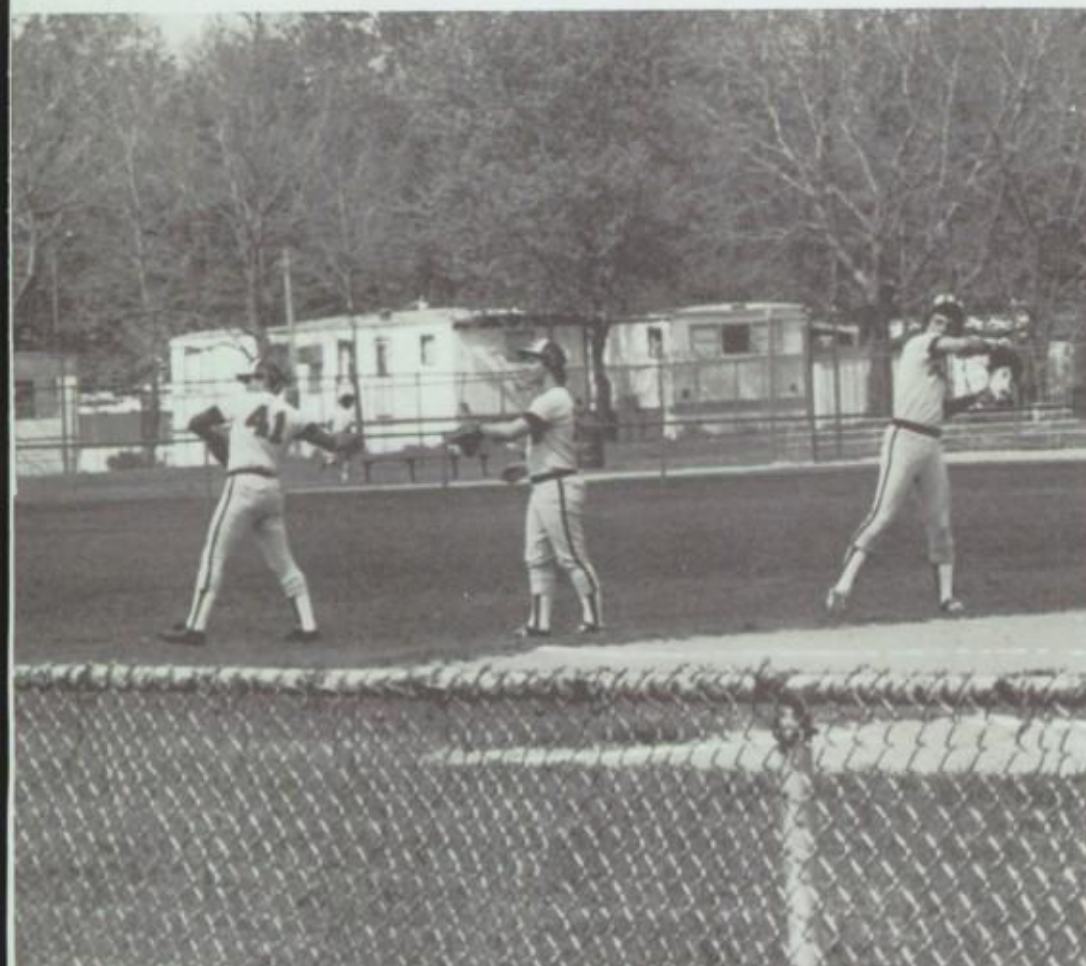

The Indians based their success on a well balanced pitching staff, led by seniors **Scott Dunham**, **Todd Edmundson**, **Jack Shaffer** and **Ron Grove**; and timely hitting led by Dunham, Edmundson, and Senior **Chuck Carroll**.

An aggressive defense, comprised mostly of seniors, aided the cause by holding their ground and making few errors.

The Indians finished the season with an 18-4 record, and placed second in the Western Ohio League.

Some of the honors that the players received were Coaches All Area, All League 1st Team and All Ohio earned by **Scott Dunham**. **Ron Rasch** received coaches All-Area and All-League 1st Team honors. Also **Scott Davis** and **Jack Shaffer** received the honor of being on 2nd Team All League.

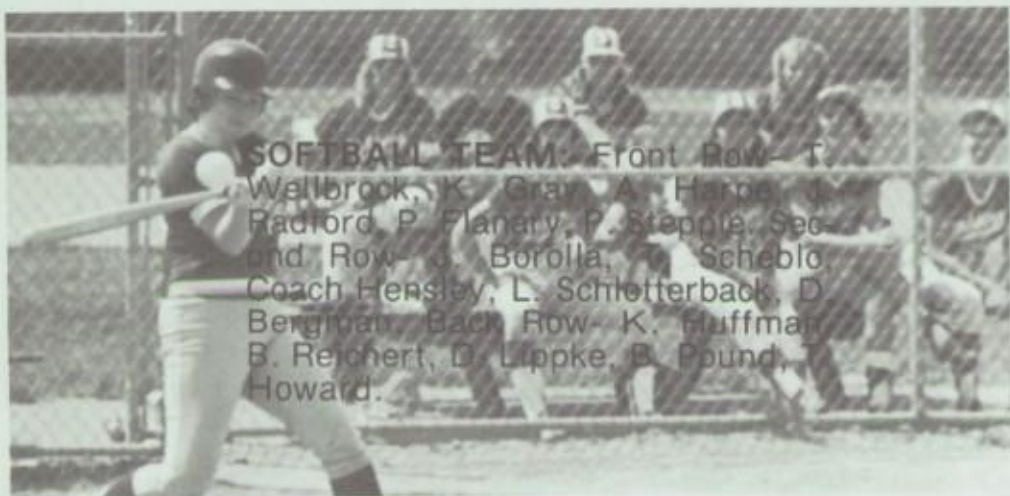

SOFTBALL KEEPS UP ITS

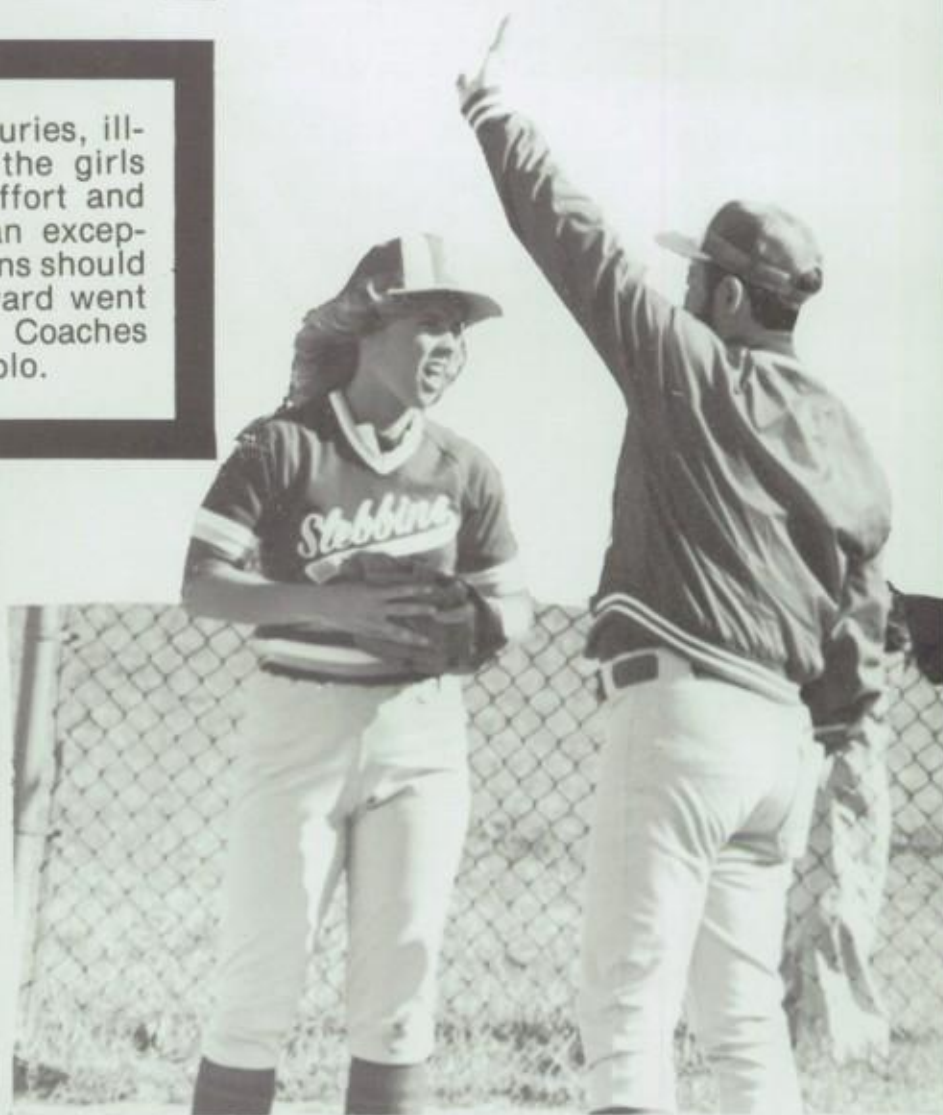

WINNING TRADITION!

This year Stebbins once again produced an outstanding softball team, keeping up its longtime reputation for winning. The girls compiled a season record of 15-7 and a league record of 3-6. Their only losses, with the exception of the semi-finals in the district tournament were in the

tough WOL. Plagued by injuries, illnesses and bad weather, the girls put forth their strongest effort and proved themselves to be an exceptional team- one that Stebbins should be proud of. The MVP Award went to Jodi Radford, and the Coaches Award went to Tracy Scheblo.

The boys tennis team is wrapping up a season that saw a lot of new faces and a whole lot of new talent. Although this year was one of transition, the team did quite well for itself, chalking up several more victories than the previous years team. There was a great deal of surprising play at the singles spots, with those players frequently showing signs of brilliance. The doubles teams, in addition to being a source of experience for the players returning next year, produced individual records that were near or above .500. The team, however, is looking ahead to next year. Only 4 players will be lost, while 3 sophomores and 2 juniors will be returning. Also, some exceptional freshman talent is expected to arrive next year, which should give a boost to the singles spots. Seniors players this year were Steve Dixon, Randy Charles, John Volz, and Steve Federinko.

TO ALL OF YOU !!

THE CREW

Who is the backbone of any good production? Why, it's a good crew. These are the groups who have the responsibility of doing the work that keeps the show rolling. Each part of the crew has its own responsibility. Whether the job is music or taking care of the activities of the cast, each one is important in its own right. Without them we could not function.

YEARBOOK CREATES

STAFF "MEMORIES"

This years Yearbook Staff was really ahead fo its schedule. Not only did the staff typeset the entire book but also "pasted up" every page in order to keep the price down for students, one of the only high schools in Ohio that does this. The staff raised over \$2000.00 in ad money. **D. Judson** alone raised \$1000.00 of this. The success of the yearbook was because of the leadership of **Mr. Painter** and the fantastic **SENIORS**, who will be extremely hard to replace. The **SENIORS** are **D. Bell, T. Bickel, G. BAND SAYS "CANAY"

The 1981 Stebbins marching band consisted of 88 members with **Fred Allaback** as drum major, and **Kim Gray** as majorette. The band started its season in late June and finally band camp in August. The word "canay" was often used at band camp to express the band's feeling of excellence. The songs ranged from corp style to jazz. Such songs were "Crown Imperial," "Lassus Trombone,"

"Macho Man" and "Superman." While **Kim** twirled knives and a fire baton, **FRED** dazzled the audience with hand stands and flips. The band performed at The Holiday at Home Parade, Wayne, Miamisburg, and Vandalia. They worked extremely hard this year and performed excellent shows. The crowd is proud to call the band the "Pride of the Tribe."

CHEERLEADERS BUILD SPIRIT

The 1981-82 Stebbins cheerleaders started this year off way before the football team put pads on, and worked twice as hard to prepare themselves for cheerleading camp at Miami University. All of the work paid off and the cheerleaders accumulated over 10 ribbons and brought home the Spirit Stick. Talented is the only word to describe these cheerleaders, as they displayed their cheerleading, decorating, baking, and academic skills all simultaneously!

For the work and effort the cheerleaders put forth, certain girls were noted for their extraordinary leadership and cheerleading talents. There are two types of awards given to one girl from each of the two varsity squads. The **Coaches' award** which is chosen by the advisors was given to senior **Michelle Judson**, and junior **Karen Bidwell**. The **Most Valuable Cheerleader award**, which is chosen by the cheerleaders themselves, were given to senior **Rhonda Taulbee** and junior **Kay Plzak**. This years captains were Rhonda Taulbee-Varsity Football, Karen Bidwell and Lori Bell- Varsity Wrestling, Michelle Judson- Varsity Soccer, Sherri Cutlip- Varsity Basketball, and the Reserve cheerleading captains were Roxy Knight and Teri Risner.

A special Thank-You is in store for the cheerleading advisors **Anige Miller** who took the cheerleaders to camp and actually kept up with the SENIOR CHEERLEADERS to prevent them from being sent home, and her love and understanding of the girls was deeply appreciated. And to **Rhoda VanderKlay** our new advisor, who tackled the 'on-the-job' training for VAN DRIVING. Thanks again to the both of you!

The 1981-82 Stebbinettes although small, proved to have many good times. The fun started at band camp and lasted throughout every half-time show.

They performed to such songs as Lasus Trombone, Macho Man, and Trepak. Due to unfortunate circumstances, Capt. Audrey Harpe and Head Line Capt. Stacy Arbuckle were forced to resign promoting Deanna Stephens to Capt. and Carol Jones to 1st Line Capt. For the winter season, a new Drill Team was made to perform at basketball shows and contest. Deanna Stephens was made Capt. and Melissa Couch 1st Lt. Both Drill Teams showed their Pearly whites and good times at each show.

Drama Club

The Drama Club was persistent in their search for a advisor this year. With help from a student from Wright State, the club succeeded in presenting the play, "The Mouse That Roared." The production was well received by everyone.

Stebbins JCOWA had a very active year, beginning with participation in the Foreign Bazaar at the Salem Mall. They represented Holland, and placed third in the booth competition. Members also participated in the High School Institute and Model United Nations at Sinclair. JCOWA raised funds for Poland and their club through a silent auction. Five members went on the Washington New York study tour over spring break. The club also took a weekend trip to the Worlds Fair in Knoxville, Tennessee.

During football season the Club road a spirit bus to the Springfield South game, and during basketball season they did the same at Troy. ADMINISTRATORS PRE

The start of the 81-82 school year presents a new challenge for the administrators at Stebbins. With the school budget getting tighter and tighter, some changes have been made for the future of Walter E. One of these changes includes combining the sophomores, juniors and seniors at Stebbins with the freshmen from Spinning Hills and Mad River.

This move is adding a new work load to the busy days that the administrators face already. Counselors, secre-

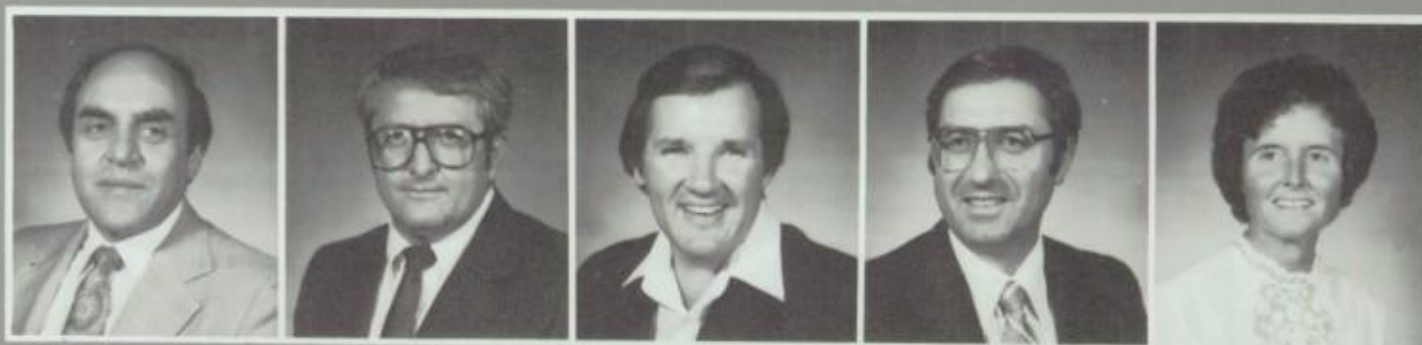

taries and the rest of the staff as well, are adjusting their calendars and schedules in order to accomodate the larger number of students.

The staff members are not, however, the only ones affected by this change. The student body must be ready to face the more crowded conditions in the halls and classrooms, and the added difficulties at scheduling time. With a little cooperation from everyone, the changes at Stebbins will not be as chaotic.

SOCIAL STUDIES

MAKES HISTORY

The Social Studies Dept. kept busy during the 1981-'82 school year. The Govt. teachers tortured the Seniors with the infamous "Govt. Project" first semester. Late nights and headaches plagued the seniors. Political Science students were treated as inhumanely as usual but

most have survived the traumatic experience. The Juniors learned about America's past in everybody's favorite class, History, while Psychology and Sociology classes were visited by director of the Dayton Mental Health Institute and psychic, Mr. Boshears.

LANGUAGE CLASSES

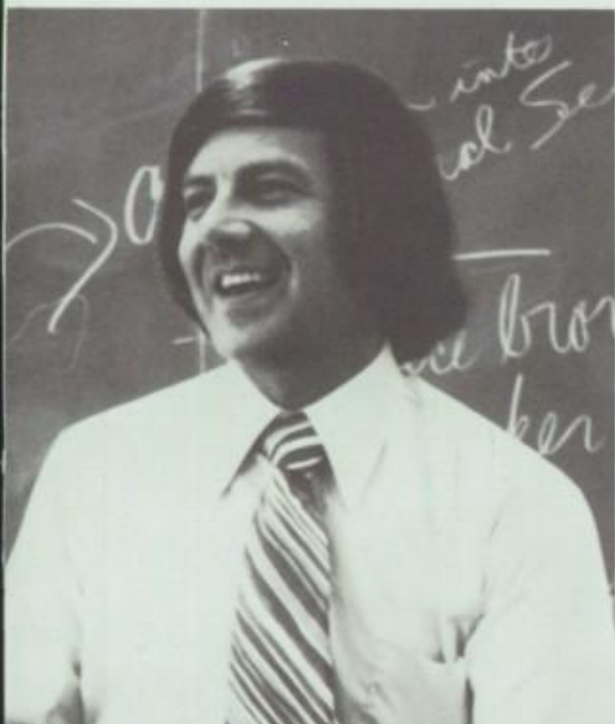

The language classes have done much more travelling this year. First of all, the languages have visited restaurants or small towns in the tradition of the country they have been studying.

During the past winter, a foreign language banquet was held wherein the students learned a play in a foreign language and performed this for their parents and peers.

Among other activities, the French classes are planning to visit France this summer for 9 days.

ENGLISH DEPT.

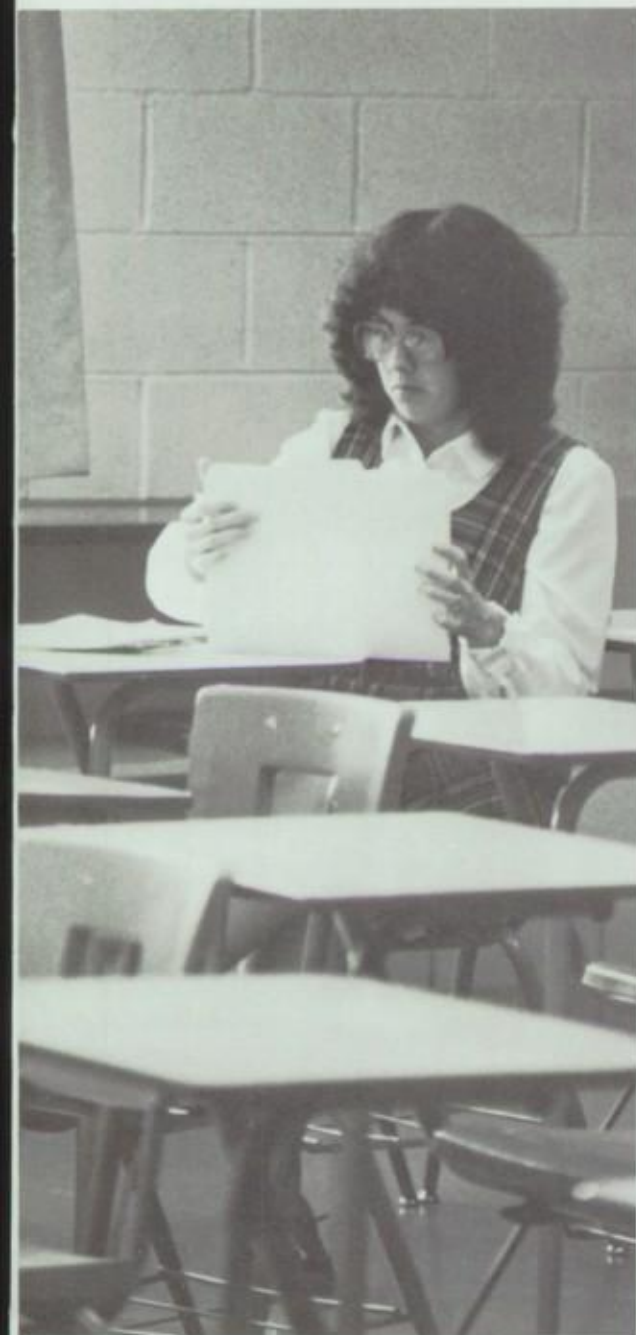

The English Dept. continued at nearly its usual pace in 1981 and 82 as it had in previous years. A few refinements were made to improve the department and teachers are hoping that the continuation of required Sentence Combining classes for Sophomores will be a success. Research Paper and Shakespeare classes had quite a large enrollment this year. Other course offerings include Modern American Writers, Humanities Death, Composition I and II, etc.

The halls at Stebbins do indeed ring of music. Symphonic band and Symphonic choir participated in several concerts as well as contests in Xenia. The Music Theory class was kept busy as usual by Mr. Nickol and the year was closed by a final performance of the band at the annual Spring Concert.

CRE - ART - IVITY

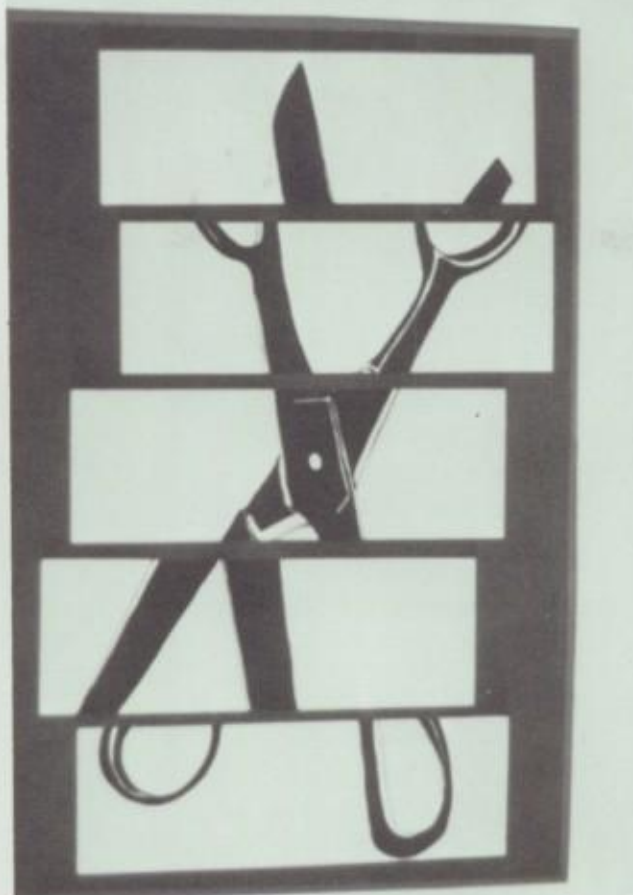

Art Forum aided its continued success this year with its first annual fruit sale. Earlier in the year, the Art Forum traveled to Ohio's capitol to visit the College of Art and Design and also the Art Museum. The trip proved to be quite a memorable event as the bus ran out of gas and the students were stranded on the highway for an hour.

In addition to Expressions '82, the senior art students sponsored an art show that included work only from the class of 1982.

Congratulations go out to soph. Lisa Sherwood and senior Mike Spicer for their high achievements in art. Mike and Lisa both displayed works at the Governor's Art Show in Columbus. In addition, Mike recieved an Art Scholarship from the Dayton Society of Painters and Sculptors and was also honored with the Stebbins most Outstanding Art Student of the Year Award.

THE CAST

And now for the stars of our show...
The Classes of 1982, 1983 and 1984.
These are the people that make the
story what it is. They are the stars,
the main characters and really the
whole show because without them
we would have nothing. These are
the faces of today and of the future.
Who knows? Maybe one of them will
be a real star someday.

S-E-N-I-O-R-S-Seniors, Seniors are the best!! That's a cheer that we have all heard for a long time but who ever thought we, the class of "1982", would ever be shouting that!

Coming in as sophomores the class of "82" united into one big family. Losing the scalp as sophomores made us realize what we had to do. Our spirit has grown tremendously since then and as a tradition the Seniors dominated the Scalp!!

TNE END OF

Seniors claim their first Scalp. '82 is the best! A. Harpe leads Senior spirit.

TNE BEGINNING

HIGH SCHOOL:

At last the year 1982 has arrived! Our Senior year will always have precious moments to hold dear to our hearts. We have progressed from Senior tee-shirts to cap and gown. Who could forget New Year's Eve, when the ball at Times Square dropped and showed "1982" in lights?

Seniors are always honored and we were no exception: Senior pep assemblies, Senior Night at the football game, Grad night, and that final triumph... Graduation!!! After the parties on May 30, we will be off on our own separate ways, each of us will start a new life, whether it be a college career, a job or marriage. But this will not hinder our special memories of our great Senior year!!!

OF LIFE !!!

SENIORS form "82". SENIORT-shirts. SENIOR imitates Nixon. Kelly Enjoys consumers.

Juniors show class *SPRRRT!!*

The class of 83 started on the right track by placing 1st in the homecoming skit. The vocational juniors won 2nd place in murals, while academic placed 3rd. In other homecoming activities, the bed race came to a fast stop when the front wheel came off, bringing the juniors into a 3rd place defeat. The scalp was won by the seniors, but the juniors let their spirit shine through by placing 2nd.

The class of '84 may be the last group of Sophomores in Mad River who are on the bottom of the pile. Next year, Freshmen will have the honor all to themselves. Regardless of the fact that we are "lowly" Sophomores we did a great job of keeping the "mighty" Juniors and Seniors on their toes. Even though we lost almost every time, everyone should agree that the Class of '84 put up a great deal of effort. After all, we did win the bed race.

During the past year, we have experienced a new type of atmosphere at school because we were no longer the mighty Freshmen who ruled the Jr. High. We had become the "lowly" Sophomores overpowered by the upper-classmen.

Apparently Sophomores had more than their share of embarrassing moments this year. It seems that a majority of the sophomores embarrassing moment are falling down stairs, running down the halls, and colliding with teachers and other students. Several girls, at one time in the year, have been embarrassed by walking into the boys restroom, thinking it was the cafeteria. **Craig Drosdak** recalls asking someone, "who in the ——— is Mr. Woodburn?" and finding out that he was asking Mr. Woodburn. **Marcus Shelley**, on Stand Out Day for sophomores said, "I wore my shorts, and while running down the hall, my shorts fell down." Another student was embarrassed when **Missy, Marita, Mildred, and Jerry**, were throwing green beans at the Josten's man.

Sophomores were asked what they think about freshmen being at Stebbins next year. Most said it would be too crowded. Then most were happy about getting to rule over the freshmen, as well as the sophomores next year. Then there were some who hate the idea. Others said the freshmen had not grown up enough.

Sophomore attendents **T. Wilson** and **M. Mack**.

When asked about their first impression of Stebbins one Sophomore said, "Stebbins is sort of like a Nazi prison camp. You get tortured with lunches like "Cardboard Surprise" and the popular "Lunchroom Mystery Meal." Even worse if you're caught trying to escape, you get Saturday School. Many others thought Stebbins was huge and they would never find their way around. Some people said everyone seems more grown-up, but there are some that just have to go! Others feel that teachers just come to get their pay checks.

The Finances

You always hear about how much it costs to film a movie or to produce a Broadway show? Well, it takes a substantial amount of money to put together a yearbook, too, and without these sponsors, there wouldn't be a yearbook. In anything, money is the name of the game and we would like to thank all of those advertisers who have helped us produce this show.

On behalf of the **BATAWAT**, students and faculty, we would like to thank all the people and business firms that help make this publication possible. Most of them support us year after year and we are thankful for their kindness as well as their financial aid. Without them, some of the "extras" such as color pictures would never be possible. Once again we would like to extend a sincere **THANK YOU.**

This has been a very special year at Stebbins, a beginning and an end. The beginning of a 4-year High School and along with that comes new teachers and many new faces. Ending this year is the reign of the Class of 1982.

To the Sophomore class, I have enjoyed seeing new faces and meeting new people. We have to stick together next year since there will be twice as many new people and faces. We have to keep the upperclassmen at the top in the Scalp, after all tradition is tradition.

To my class, the Class of 1983, we're going to be Seniors next year and even though our class lacks some spirit, we have unity like few classes have; we are like family. The underclassmen may not have a hard time beating us in the Scalp, but they will never be able to have the unity and friendship that our class, the Class of 1983, has had.

To the Class of 1982, I wish you all the luck in the future and above that happiness. All of you have been special friends to all of us. Having had more spirit than both Sophomores and Juniors, it surely will be a loss to Stebbins to lose the Class of 1982. Good luck to all of you.

I want to thank the staff for working so hard and putting out what I think will be one of the best yearbooks in Stebbins history. A special thanks goes to Mr. Tom Painter and Ellie Mondini for giving me the chance to be the Assistant Editor this year and showing me the ropes.

Just remember this year may be an end to many things but it leads to new beginnings, beginnings that we will all face, and before we know it, they will end, leading to more beginnings. I guess that is what life is all about, and so we end this year, but begin a new one like we have done so many times in the past and will do so many times in the future.
